ALL-COUNTY INFORMATION NOTICE I-131-80

TO: ALL COUNTY WELFARE DIRECTORS

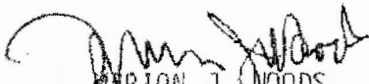

SUBJECT: CALIFORNIA'S SIX-MONTH QUALITY CONTROL - CORRECTIVE ACTION PLAN
APRIL-SEPTEMBER 1979

REFERENCE: — See Publication

Attached is a copy of California's report to the Department of Health and Human Services on AFDC Quality Control-Corrective Action for the April-September 1979 period. The report contains California's AFDC error findings and sections on analysis and corrective action activities.

As I expressed to you in a recent All-County Information Notice, I am deeply concerned about the last two final federal error rates for California and current error rates in several of the counties. With the recent legislative mandates in this area and federal fiscal sanction policy, I cannot overemphasize the importance of refocusing state and county efforts on error rate improvement.

Sincerely,

MARION J. WOODS
Director
