SUBJECT: AID TO FAMILIES WITH DEPENDENT CHILDREN-FOSTER CARE

GROUP HOME RATE NOTIFICATION LISTING FOR
FISCAL YEAR (FY) 1987-88

REFERENCE: MANUAL OF POLICY AND PROCEDURES (MPP) 11-402.11
ALL COUNTY INFORMATION NOTICE 1-67-87, August 10,
1937

The purpose of this letter is to transmit a full list of AFDC-FC/SED regular group home program rates (i.e., ongoing regular programs) for FY 1987-88. This list supersedes the AGIN referenced above.

These rates may be changed due to rate review processes or final audit findings. If the provider is involved in one of the rate review processes, an asterisk(s) is noted next to the program number. The symbols for the actions in process are:

*= Rate review
**= Rate hearing
***= Court process

The Rate Listing is arranged alphabetically by provider name and supplies the following information:

Name of the provider;
Name of the administrator;
Phone number of the administrator;
Address of the provider;
Profit status of the provider;
Program number;
Monthly rate;
Peer Group type (reference MPP 11-402.16);
Program capacity;
Effective date of the rate;

Effective date of overpayment recovery;
Percentage of the rate eligible for Federal and/or State
funding;
Name and address of each facility offering that program.

Please note that facilities are listed for each program as reported to the Department annually with the rate request and may not reflect subsequent changes.

For the purpose of claiming State and Federal funds, the rate is identified in four components:

"Federal/State" - This is the portion of the rate that represents basic care and supervision and is eligible for State and Federal funding.

"Nonfederal Social Work Activities" - This is the portion of the rate that represents those social work activities not eligible for Federal funding.

"Nonfederal Other" - This is the portion of the rate that represents shelter costs not eligible for Federal funding.

"State Only" - When the provider is not non-profit, no Federal claiming can be made, regardless of the Federal eligibility of any child. It is shown on the list as 100% State funding.

If a provider's new rate is higher than the rate currently being paid, the new rate is effective retroactive to the "effective date" and an underpayment adjustment should be made. If the provider's new rate is lower than the current rate paid, the new rate will be effective on the "overpayments effective date" and any additional amounts paid on/after that date will be subject to overpayment collection.

If you have any questions, please contact the Foster Care Rates Bureau at (916) 323-1263.
