ALL-COUNTY LETTER 79-49

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: CHILD PROTECTIVE SERVICES SURVEY

REFERENCE:

The Statistical Services Bureau is planning to conduct a characteristics survey of Title XX Child Protective Services (CPS) recipients. In addition, we will collect characteristics data on the children who enter CPS through the 24-Hour Emergency Response Referral (ERR) Project. This project was established by the 1979-80 General Fund Budget, Item 287b.

Currently there is almost no characteristics data available on CPS. The survey will meet the need for data for program planning and management. In addition, it will provide data for a report required by the Legislature on the ERR system.

Please submit the name of one person from your county to act as liaison for this study. We will need the following information:

Liaison's name
Title
Mailing address
Phone number

Please mail or telephone this information by August 22 to:
