HANDBOOK: THIS LETTER CONTAINS INFORMATION UPDATING THE AFDC NOTICE OF ACTION HANDBOOK

The purpose of this letter is to transmit Notice of Action (NOA) message document M40-173A. This document has been revised to notify applicants that their AFDC Immediate Need (IN) request has been met in the form of a regular aid payment within the IN time frame of one working day. This revised message enables the county to comply with the adequate notice requirements at MPP 22-001a.(1) for persons applying for AFDC IN.

This NOA which contains the basic cash aid approval language, has also been revised, at county request, to clarify what happens when the first aid payment is for a partial month.

Instructions for use of the message are found at the end of the message document. English and Spanish versions are attached. Other standard languages will be issued by the Language Services Bureau in the usual manner.

Update your AFDC NOA Handbook by filing the attached English message document in Section 6 and by removing the old message document of the same number.
