AND [45-305](#)

This CFL provides updated reporting and claiming instructions for all assistance claims effective July 1, 2012, as a result of SB 1013, which revised the overpayment timeframes and responsibilities for the federal AFDC-FC program, federal AAP, the Fed-Gap program and the federal EFC program. The California Department of Social Services (CDSS) has developed revised claims, as well as one-time claims, to capture these overpayments. Prior to July 1, 2012, the state and county shared the responsibility to repay the federal share of costs for overpayments. Beginning July 1, 2012, the county is required to repay the entire federal share for overpayments upon completion of due process for the federal AFDC-FC, AAP, Fed-GAP and EFC programs due to the implementation of SB 1013. A one-time claim for federal AFDC-FC and federal AAP is required to correct costs from July 1, 2012 through October 31, 2013. Additionally, revised claims included with this letter should be used beginning with the November 2013 claiming month and forward.

Federal Reporting

The federal share of overpayments collected may be cash, check or any form of a benefit reduction and should be remitted as outlined below. As previously instructed in

ACL No. 09-64 and CFL No. 10/11-66, counties will continue to report all uncollectible and uncollected federal AFDC-FC, AAP, Fed-Gap and EFC overpayments following the completion of due process. The definitions for “uncollectible” and “uncollected” may be found in W&IC section 11466.23 through 11466.24, and MPP sections 45-304 and 45-305.

Claiming Instructions

As a result of the enactment of SB 1013, overpayments are now required to be identified between two time periods. County responsibility to collect and repay an overpayment shall be dependent upon when the overpayment was identified and due process was completed in relationship to SB 1013.

For Overpayments Identified Prior to July 1, 2012

1. Consistent with past practice, counties are required to repay the federal share (consistent with paragraph 2 below) of any overpayment following the completion of due process unless any of the following exceptions apply:
 - a. The amount is legally uncollectible, including any amount legally uncollectible pursuant to W&IC section 11466.24.
 - b. The cost of collection exceeds the overpayment.
 - c. The overpaid provider is a foster family agency or group home that is no longer in business or licensed by the department.
2. Remittance of an overpayment of federal AFDC-FC, AAP, Fed-GAP and EFC funds shall be shared by the state and the counties based on the following sharing ratios:
 - a. For federal AFDC-FC funds, the sharing ratios described in W&IC section 15200(c).
 - b. For federal AAP funds, the sharing ratios described in W&IC section 15200(d)(2).
 - c. For Fed-Gap funds, the sharing ratios described in W&IC section 10101(a).
 - d. For federal EFC funds, the sharing ratios described in W&IC section 15200(c).
3. Prior to July 1, 2012, per W&IC section 11466.23(d)(2), upon actual collection of overpayments from providers or recipients, the county has a duty to repay both the federal and state share of costs, and shall ensure that the total amount reimbursed to the state reflects the federal and state share of the overpayment costs. All overpayments of federal AFDC-FC, AAP and EFC funds as noted in number one above shall be repaid entirely with state funds. This also applies to the federal share of Fed-GAP.

For Overpayments Identified Beginning July 1, 2012

1. Beginning July 1, 2012, per W&IC section 11466.23(d)(1) the county is required to pay the entire federal share of the overpayment amount following the completion of due

process. The county shall pay the entire share of the cost for overpayments in the federal AFDC-FC, AAP, Fed-GAP and EFC programs.

2. After remitting the federal share, the county shall retain any funds collected from overpaid providers or recipients.
3. Beginning July 1, 2012, per W&IC section 11466.23(d)(1), the county is responsible to repay the entire federal share of all uncollectible overpayments. There are no longer any exceptions to the county's obligation to pay the federal share of overpayments.

Recoveries of Aid

Updated claiming information pertaining to the Recoveries of Aid line found on the CA800A Fed, the CA800FC and the Fed-GAP tabs will be forthcoming.
