COUNTY FISCAL LETTER NO. 15/16-37, DATED DECEMBER

30, 2015

This letter informs County Welfare Departments (CWDs) and County Probation Departments (CPDs) of the final Fiscal Year (FY) 2016-17 Foster Parent Recruitment, Retention and Support (FPRRS) program award based on the Budget Act of 2016.

Attachment I displays a FPPRS administrative program allocation totaling \$41.7 million GF. Funds for FPRRS child care assistance, in the amount of \$1.5 million GF, is displayed separately in attachment II for a net FPRRS allocation of \$43.2 million GF.

As stated in <u>All County Letter (ACL) No. 16-52</u>, the objective of this award is for counties to recruit, retain and support foster parents, resource families and relative caregivers. Counties receiving funding for their approved plans will be required to report the outcomes achieved through the use of the funds and the activities that contributed to those outcomes.

Allocation amounts for non-participating counties were redistributed to participating counties based on a percent to total of the preliminary allocation. In addition, a recent survey was conducted for CPDs that submitted a joint plan with the CWDs. This survey was used to determine if CWDs were planning to perform any activities on a CPD's behalf. Funds were shifted accordingly based on the survey responses provided.

Child Care Assistance Costs

The state budget included funding for child care as an allowable activity for licensed foster parents, approved resource families and relative caregivers.

Per <u>ACL No. 16-52</u>, counties notified California Department of Social Services (CDSS) an amount from their FPRRS GF allocation that will be used specifically for child care. The GF amount identified for child care is subtracted from the county's FPRRS amount and provided in a separate allocation as displayed in Attachment II.

An All County Letter and a CFL with claiming instructions for Child Care are forthcoming.

Claiming Instructions

While the amount allocated is GF, some of these funds may be used as a match for Title IV-E funded child care. Counties are reminded that their FPRRS funds are to be used to supplement, rather than supplant existing funds. County expenditures will be tracked to the appropriate claiming codes for the administrative activities. If claimed expenditures exceed the GF allocations, the overmatch will shift 100 percent of the nonfederal costs to county share. Two separate overmatch codes have been established to track CWD and CPD allocation amounts on separate ledgers. Funds do not cross over between the CWD and the CPD award amounts. For CWD claiming instructions, please refer to CFL No. 15/16-37 and CFL No. 15/16-37E, and refer to CFL No. 15/16-48 for CPD claiming instructions.

For questions regarding the FPRRS program, contact the Foster Caregiver Policy and Support Unit at (916) 651-7465 or by email at kinship.care@dss.ca.gov. Questions regarding the fiscal information in this letter should be directed to fiscal.systems@dss.ca.gov.

Sincerely,
