SUBJECT: INDEPENDENT LIVING PROGRAM ANNUAL NARRATIVE REPORT AND
PLAN FOR FEDERAL FISCAL YEAR 2006

The purpose of this All County Letter (ACL) is to forward the Independent Living Program (ILP) Annual Narrative Report and Plan (Report) for Federal Fiscal Year (FFY) 2006 (October 1, 2005 – September 30, 2006) for completion. This Report is required by the Department of Health and Human Services, Administration on Children, Youth and Families, in accordance with provisions specified in Program Instruction ACYF-CB-PI-06-03, requesting details associated with your county's ILP and transitional housing programs. The Report was developed in compliance with Assembly Bill (AB) 1979 (Chapter 271, Statutes of 2002) and requires counties to describe their ILP plans, and to specify the minimum standards achievable within existing resources that counties must meet in the administration of the ILP.

Information provided to the California Department of Social Services (CDSS) in the Report is used for inclusion in the federal Title IV-E Annual Needs and Services Report and may be shared with other counties and stakeholders for the purpose of identifying promising practices. The Report also complements the ILP Annual Statistical Report (Form SOC 405A) by providing counties the opportunity to clarify in narrative form the statistical data. The SOC 405A report format was forwarded to counties under separate cover by the Data Systems and Survey Design Bureau under ACL No. 06-43, dated September 22, 2006.

ACL No. 05-34, dated November 9, 2005, notified counties that Senate Bill (SB) 436 (Chapter 629, Statutes of 2005) and AB 824 (Chapter 636, Statutes of 2005) both impact the provision of transitional housing services. Under SB 436, counties participating in the Transitional Housing Placement Program must provide a description of transitional housing services currently available to pregnant or parenting foster youth, and report on plans for meeting any unmet transitional housing needs of this population. AB 824 extended the eligibility for transitional housing services from age 21 to the age of 24. Counties are expected to report on the provision of services to the above identified populations of youth in the Report.

If this penalty should be assessed, CDSS will withhold ILP funding for those counties that have not submitted a complete Report timely.
