ALL-COUNTY LETTER NO. 75-15

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: FOOD STAMP PROGRAM - TABLES FOR ISSUANCE OF VARIOUS TYPES OF COUPON
BOOKS OF THE NEW DENOMINATIONS

REFERENCE:

Attached is a copy of the revised tables for the issuance of various types of coupon books of the new denominations, effective March 1, 1975.

The tables utilize the revised coupon allotments established for the period March 1, 1975, through June 30, 1975. They cover all the allowable coupon allotments available under the variable purchase provision for households ranging in size from one to fifty persons.

These tables are designed to provide the recipient an efficient and economical distribution of the five types of coupon books. This distribution is also generally necessary to insure that sufficient quantities of each type of coupon book is available.

Reasonable deviations from the tables are authorized to allow for adaptations to emergency conditions, or for temporary adjustments because of the unavailability of one or more of the five types of coupon books. Exceptions from the tables are also authorized for blind recipients requesting that all coupons be of the same denomination. However, due to inventory management problems, "personal convenience" requests by recipients cannot be honored.

Food and Nutrition Service is unable to provide us with the weights of the new coupon books. FSP Operations Bureau will compute the total coupon book weight for each table value in future revisions to this mix-of-books table.

Please direct any questions to Dick Fox of the Food Stamp Program Operations Bureau at (916) 445-6907.

Sincerely,

DENNIS O. FLATT
Deputy Director
