All-COUNTY LETTER No. 83-63

TO: ALL-COUNTY WELFARE DIRECTORS

SUBJECT: BENEFIT REDUCTION/SUSPENSION

This is to inform and request that counties plan for the possibility of a reduction in food stamp allotments for August 1, 1983, the potential for suspension of food stamp allotments for September 1, 1983, and regulation changes necessary to facilitate the August 1, 1983 benefit reduction.

Federal food stamp allotment expenditures for the 1983 federal fiscal year (October 1, 1982 through September 1983) are exceeding the budgeted amount. As a result, Congress is working to increase food stamp funding by an amount that would provide full benefits through this federal fiscal year. It is possible that the increased federal funding will not be available in time for either the August 1, 1983 or September 1, 1983 food stamp allotments. Since there are limited federal funds, Thrifty Food Plan amounts may have to be reduced by 20% for the August 1, 1983 allotments (see attached benefit reduction issuance table), and the September 1, 1983 benefits may have to be suspended. FNS has indicated that once funds are appropriated to provide full benefits for this federal fiscal year, any benefits lost as a result of a reduction and/or suspension must be restored. Revisions to the state food stamp regulation, M.S. 63-107.6, are being processed to clearly allow restoration when required by FNS. It is anticipated that this regulation revision will be filed in July 1983 to be effective August 1, 1983.

In addition, there have been recent federal regulations which require a \$10 minimum allotment for only one or two-person households during a period of benefit reduction, and which preclude the issuance of benefits for any household entitled to less than \$10 in an initial month. Therefore, even during allotment reduction, a one or two-person household which was entitled to less than \$10 in their initial month would not receive any benefits. In addition, any household entitled to \$10 or more in the initial month, but due to benefit reduction the allotment is reduced to less than \$10, should not receive any allotment for that initial month. Any future restorations for that reduction should be at the amount they were entitled to prior to the reduction. Since these changes have an impact on benefit reduction, corresponding state regulations are being processed emergency to implement these provisions and are anticipated to be filed in July 1983 to be effective August 1, 1983.

This benefit reduction and/or suspension, if it occurs, is considered a mass change. In accordance with M.S. 63-107.5 the counties shall send a

general notice explaining the reduction to each food stamp household. The language and format in both English and Spanish will be provided to the CWDs during the week of July 18, 1983. Recipients are entitled to a state hearing regarding this mass change; however, they are not entitled to continuation of benefits. As always, recipients are entitled to a Notice of Action if there are other changes to the case which result in a further reduction or termination.

It is highly possible that Congress will act to appropriate sufficient money within the next week to avoid the need for benefit reduction and suspension. Therefore, if it is possible to delay programming, printing, and other related activities and still meet August 1, 1983, counties should delay action. As soon as we know of Congress' action, we will inform the counties. In the event that an August 1, 1983 reduction is necessary, counties must implement the changes at that time.

# INFORMATION FOR COMPUTING FOOD STAMP ALLOTMENTS

20% Reduction 1983

48 States and the District of Columbia

Note: A number of households will be eligible for \$0 benefits.

To determine a household's food stamp coupon allotment using the Basis of Coupon Issuance Tables:

- 1) Calculate the household's net monthly income.
- 2) Compare the household's net monthly income to the maximum allowable net monthly income standard, Column C, below.
- 3) If the household's net monthly income is larger than the figure shown in Column C the household is ineligible.
- 4) If the household's net monthly income is smaller than or equal to the figure shown in Column C the household is eligible. Find the allotment by reading in the table down to the appropriate income and across to the appropriate household size.

To calculate the allotment manually (in lieu of step 4 above) or if the household is size 21 or larger:

- 1) Multiply the net monthly income by 30 percent;
- 2) Round the product up to the next whole dollar if it ends in 1-99 cents.
- 3) To obtain the allotment, subtract the result from the Thrifty Food Plan, Column D, for the appropriate household size. However if the computation results in \$1, \$3 or \$5, round up to \$2, \$4 or \$6, respectively.
- 5) If the allotment is for a one or two-person household and is less than \$10, round up to the minimum allotment of \$10.
