ALL-COUNTY LETTER NO. 85-52

** TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: BAKER V. PROD: IDENTIFICATION OF AFFECTED CLASS MEMBERS IN AFDCREFERENCE: All-County Information Notice 1-21-83, Dated February 14, 1983;
All-County Letter No. 83-14, Dated February 24, 1983; All-County
Information Notice 1-32-83, Dated March 7, 1983

You were informed in All-County Letter No. 83-14 of the four methods to be used in identifying affected persons under the February 9, 1983 preliminary injunction in the case of Baker v. Prod. This letter is to inform you that, as a result of the U.S. Supreme Court's decision in the Turner v. Woods case, the Baker v. Prod case has been dismissed, and the preliminary injunction has been removed. As of the date of this letter, all instructions regarding the identification of affected persons are rescinded.

Specifically, the following activities are no longer in effect:

1. The asking of all applicants for public assistance whether they were affected by the treatment of mandatory payroll deductions as income between January 1, 1982 and August 31, 1982.
2. The asking of a recipient at the time of his/her eligibility redetermination whether he/she was affected by the treatment of mandatory payroll deductions as income between January 1, 1982 and August 31, 1982.
3. The posting of the notice informing individuals of this court action. This notice is to be removed immediately.

In addition, the dismissal of this case obsoletes the following Department of Social Services' forms: TEMP 1555 (2/83) (Baker v. Prod); TEMP 1555A (2/83) (Baker v. Prod); TEMP 1555B (3/83) (Baker v. Prod); TEMP 1555C (3/83) (Baker v. Prod); and TEMP 1555D (3/83) (Baker v. Prod).

We will inform you in a forthcoming All-County Letter what you are to do with the names, addresses and case records of persons identified as potential claimants in this case. Until further instructions are issued, you must retain these records.

If you have any questions, please contact Joe Carleton of the AFDC Program Development Bureau at (916) 324-2016 or ATSS 454-2016.

ROBERT A. HOREL
Deputy Director
