TO: ALL COUNTY WELFARE DIRECTORS
ALL FOOD STAMP COORDINATORS

SUBJECT: FOOD STAMP EMPLOYMENT AND TRAINING PROGRAM
PLAN FFY 1999

REFERENCE: ACL 98-84

The purpose of this letter is to clarify paragraph two on page three regarding reimbursement rates. The last sentence should read, "If the amount spent is **more** than the amount allowed under the rates, the county will be required to pay that excess amount out of their own funds (which would be eligible for the standard 50 percent Federal match)."
