COUNTY FISCAL LETTER (CFL) NO. 10/11-46

- TO: ALL COUNTY WELFARE DIRECTORS ALL COUNTY FISCAL OFFICERS
- SUBJECT: FISCAL YEAR (FY) 2010-11 CHILD WELFARE SERVICES (CWS) ALLOCATION FOR 56 COUNTIES

This letter informs counties of the FY 2010-11 allocation for CWS, the CWS Outcome Improvement Project (CWSOIP) Planning Augmentation, and the CWS Planning Augmentation. Total funds of \$890,868,013, inclusive of the CWS budget reduction, were made available upon approval of the Budget Act of 2010. The CWS allocation consists of federal Title IV-B, Title IV-E, Title XIX, Title XX, Temporary Assistance for Needy Families (TANF) funds, and General Fund (GF). A separate allocation letter will be issued to those counties participating in the Title IV-E Waiver, thus this allocation represents 56 counties.

Based on the various budget and allocation adjustments that were made to CWS Basic and Emergency Assistance (EA) Case Management (CM) in prior years, the allocation methodology for these components no longer provides an adequate distribution to each county. As a one-time adjustment, the California Department of Social Services (CDSS) and the County Welfare Directors Association (CWDA) agreed to allocate the funding differences between prior year and current year for CWS Basic on a percent to total of each county's FY 2009-10 CWS Basic and EA CM allocations. The CDSS and CWDA will be discussing a new allocation methodology for FY 2011-12.

The following attachments display the 56 counties' allocations:

Specialized Care Incentives and Assistance Program (SCIAP)

Total funds of \$2.4 million are based on each county's proportionate share of the total California Work Opportunity and Responsibility to Kids, Foster Care (FC) Foster Family Home (including relatives and non-related legal guardians) and Foster Family Agency certified home placements for Calendar Year (CY) 2009 as reported in the Aid to Families with Dependent Children (AFDC)-FC Caseload Movement and Expenditure Report (CA 237-FC). The allocation was adjusted to ensure that each county would receive a minimum of \$1,000. The SCIAP costs should be reported to Program Code (PC) 100, Special Care Incen & Assist Prog.

Federal Deficit Reduction Act of 2005 – Loss of Federal Financial Participation

This allocation reflects the costs to backfill the loss of Title IV-E funds for children placed in an unlicensed, unapproved, or otherwise unallowable Title IV-E facility, such as hospitals or mental institutions for longer than 30 days. The Federal Deficit Reduction Act of 2005 became effective February 8, 2006, and limited the claiming of Title IV-E administrative costs when a child is placed in an ineligible facility 30 days prior to the child being moved to a Title IV-E eligible facility or home. These Title IV-E ineligible costs are now funded with General Fund (GF) and county funds. Total funds of \$159,000 were distributed based on a percent to total of each county's New Out of Home placements for CY 2008.

The funds were distributed based on each county's percent to total of FC children in state hospitals or medical facilities over 30 days for CY 2009, as extracted from Child Welfare Services/Case Management System (CWS/CMS).

CWS/CMS System Support Staff (SSS)

CWS/CMS SSS funding can be used for county staff and contracted support staff costs associated with county help desk functions dedicated to the support of CWS/CMS equipment and applications, including technical support and assisting with moves and changes. Total funds of \$9.4 million were distributed based on a percent to statewide total of Fiscal Year (FY) 2009-10 CWS/CMS SSS expenditures. Costs are shared according to California's federally approved Cost Allocation Plan (CAP), which allocates costs to all benefiting CWS programs based on statewide county worker time study hours. Costs for CWS/CMS SSS should be reported to PC 536, SACWIS – M&O.

Minor Parent Investigations (MPI) and Minor Parent Services (MPS)

This allocation consists of two components: Investigations and Services. The MPI component funds the investigations that will be performed by child protective services, and the MPS component assumes that a percentage of minor parents (mostly those at 17 years of age) will be allowed to form their own assistance units. Total funds of \$3.1 million for MPI and \$1.6 million for MPS are based on the monthly average of cases approved for CY 2009, as reported on the Stat 45 Cal-Learn Teen Parent Monthly Status Report. A minimum of \$658 is allocated for MPI and \$2,858 for MPS to ensure smaller counties have sufficient funds to investigate and provide Family Maintenance (FM) services for at least one case. Costs should be reported to PC 544, CWS – MPI (Assembly Bill (AB) 908) for investigation activities and PC 556, CWS – MPS (AB 908) for services activities.

FC Infant Rate – Senate Bill (SB) 500

This allocation reflects the administrative costs associated with the required development of a written "shared responsibility plan" as outlined in SB 500. Total funds of \$22,000 were distributed based on a percent to statewide total of each county's CY 2009 FC caseload as reported on the CA-237 FC. This allocation was adjusted to ensure each county would receive a minimum of \$150 in total funds. Costs associated with the additional data requirement activities should be reported to PC 148, CWS - Case Mgmt.

CWS/CMS Staff Development

The FY 2009-10 appropriation for CWS/CMS Staff Development is \$8.3 million, \$3.1 million of which is allocated to the 56 counties. This includes funding for new hires, intermediate/advanced training, management/supervisory training, SSS training, and database training. Remaining funds of \$3.1 million will be used to fund the statewide training contract, with the balance of \$2.1 million allocated to the participating Title IV-E Waiver counties.

The allocation, excluding the Northern Training Lab Consortium (NTLC) and remaining small counties, was calculated by multiplying each county's percentage to the statewide total of the number of User IDs in each county as of June 2009. The allocation for NTLC counties and remaining small counties was based on the hold harmless amount from the FY 2000-01 appropriation.

The costs for both social worker and clerical staff development will be claimed as a direct charge and applied against the CWS Basic allocation. Costs for CWS/CMS Staff Development should be reported to PC 557, CWS/CMS Staff Development to capture federally eligible costs. If applicable, PC 558, CWS/CMS Staff Development – Non-Federal, should be used to capture the nonfederal staff development costs.

Note: A Training Claiming Question and Answer (Q&A) matrix has been developed by the California Department of Social Services (CDSS) CMS Support Branch to provide counties with general information to determine appropriate Title IV-E training cost allocation. Counties should exercise care to budget and claim appropriate Title IV-E training activities consistent with the Title IV-E guidelines. The Q&A matrix is located online at the following website:

http://www.hwcws.cahwnet.gov/Training2/training/docs/092905 CDSS Training Claiming QA.xls, "Training Claiming Question & Answer (9/25/09)."

Questions regarding the matrix can be directed to the CDSS Fiscal Systems Bureau at Fiscal.Systems@dss.ca.gov.

Live Scan Technology and Background Checks

Total funds of \$2.1 million are allocated for Live Scan and Background Checks. These funds are distributed based on a percent to total of each county's Relative Home/Guardian Home Placements from CWS/CMS for CY 2009. An adjustment was applied in order to ensure a minimum floor of \$2,000 in total funds for each county.

Counties shall utilize these funds for the purpose of maintaining Live Scan machines and conducting background checks prior to placing children with a relative, a prospective guardian, or with any other person who is not a licensed foster parent. All unlicensed relatives or guardian foster parents will be subject to both a Live Scan fingerprint check and a Child Abuse Central Index (CACI) check. Program Identifier Number (PIN) 359031, CWS/Live Scan/California Law Enforcement Telecom System (CLETS) Background Checks and Contracted Services, captures Live Scan system costs, implementation fees, and ongoing Maintenance and Operations costs. PIN 359068, CWS/Live Scan/CLETS Background Checks, Direct Costs, captures the processing fees. Time Study Code 3591, CWS/Live Scan/CLETS Background Checks, captures staff activities that include, but are not limited to:

- Fingerprinting and conducting a search through CACI
- Access to Federal Bureau of Investigation and Department of Justice databases when conducting a background check for criminal records of relatives, foster parents, and others for whom criminal record checks are required when the county is considering a foster child placement.

Relative Home Approvals

Funding for this item reflects the costs associated with conducting an in-home assessment prior to placing children in the home of a relative or the home of a Non-Related Extended Family Member (NREFM) and conducting an annual visit for continued approval of a relative home. Total funds of \$7.7 million were distributed based on a percent to total of each county's Relative Home/Guardian Home Placements from CWS/CMS for CY 2009. Costs should be reported to PC 007, Relative/Non- Relative Home.

This item also includes funding for costs associated with the Registered Sex Offender Check premise. This premise reflects costs to minimize the risk of predictable and preventable harm to vulnerable children in out-of-home care by detecting the presence/residence of a Registered Sex Offender in prospective and approved licensed facilities and prospective and approved relative/NREFM homes.

County welfare departments will also check all prospective licensure applicants and relative/NREFM homes against the Megan's Law Public Website and investigate all address matches. When a match resulting from the annual or prospective check is verified, county welfare departments will take appropriate action, which may include licensure and placement denial, removal of children and finding a new placement, and grievance reviews for relatives/NREFMs.

Total funds of \$331,996 were distributed based on a percent to total of each county's Relative Home/Guardian Home Placements from CWS/CMS for CY 2009. Costs for these services should be reported to PC 709, State Mandates and PC 710, State Mandates Non-Fed. These PCs have no county share of cost.

Multiple Relative Home Approvals and Grievance Review for Relative Home Approvals

Total funds of \$4.1 million are allocated for Multiple Relative Home Approvals and \$318,699 for the Grievance Review for Relative Home Approvals process. Multiple Relative Home Approvals reflect the costs associated with conducting additional assessments when more than one relative or NREFM is seeking approval to have related foster children placed with them. Grievance Review for Relative Home Approvals reflect the costs associated with providing a review process upon request for relatives seeking to have related foster children placed with them but who are determined not to have met the approval standards established by law and regulation. Funds for both of these programs were distributed based on a percent to total of each county's Relative Home Placements from the CWS/CMS for CY 2009. Costs for these services should be reported to PC 007, Relative/Non-RelativeHome.

County Self-Assessment and System Improvement Plan (SIP)

This allocation reflects the costs to support additional administrative responsibilities related to the planning and coordination of periodic self-assessments and the annual SIP. Total funds of \$10 million were distributed using each county's average cost of a social worker and allocating one quarter of a Full Time Equivalent (FTE) to the small and very small counties, one half of an FTE to the medium counties, and one FTE to the large counties. A percent to total of each county's total cost of the allocated FTEs was used to allocate the \$10 million. Costs associated with the additional data requirement activities should be reported to the appropriate existing CWS IV-E Administration PCs.

Data Requirements for New Activities

Total funds of \$501,000 are allocated for costs related to the additional data requirements associated with the new mandated activities counties must accomplish to implement the state's Program Improvement Plan and the California Child and Family Services Review process. The funds were distributed based on each county's FM, Family Reunification (FR), and Permanent Placement (PP) caseloads, by calculating a cost-per-hour rate based on each county's average cost of a social worker, and assuming an average of one hour per case. Costs associated with the additional data requirement activities should be reported to the appropriate existing CWS IV-E Administration PCs.

Peer Quality Case Review (PQCR)

This allocation reflects the costs associated with preparation, coordination, training, review time, and travel/per diem expenses for staff participating in the PQCR process. The purpose of the PQCR is to learn, through intensive examination of county child welfare practices, how to improve child welfare services and practices, both in the participating county and in other counties. Participating counties were allocated \$5,000 to reimburse the travel and per diem costs of social workers traveling from other counties to participate in the reviews. Those counties participating in probation reviews received \$3,000 to reimburse the travel and per diem cost of probation officers traveling from other counties. The remaining \$1.1 million was distributed based on each participating county's percent to statewide total of their budgeted FY 2010-11 unit cost. Costs for social worker activities should be reported to PC 088, PQCR. Costs associated with probation officer activities should be charged to PC 004, Probation PQCR.

Statewide Standardized Training

This allocation reflects the additional costs associated with the need for counties to backfill behind county social workers and supervisors who must attend additional training as required under the statewide standardized common core curriculum for all current and new child welfare and probation workers, as well as their supervisors. Total funds of \$8.8 million were distributed based on a percent to statewide total of each county's budgeted FTEs multiplied by the county specific unit cost. Costs associated with the additional data requirement activities should be reported to the appropriate existing CWS IV-E Administration PCs.

AB 408 Child Relationships (Amended by AB 1412)

Funding for this premise reflects costs for social workers to perform additional activities on every initial and six month case plan and court report for children ten years of age and older in foster care. Effective January 1, 2006, the provisions of Assembly Bill (AB) 408 were amended by AB 1412 to include all children who are developmentally appropriate and who are in out-of-home placements. Total funds of \$5.5 million were distributed based on a percent to total of each county's average monthly caseload of children in foster care aged ten years and older in group homes more than six months for CY 2009. An adjustment was applied in order to ensure a minimum floor of \$5,000 in total funds for each county. Costs for these services should be reported to PC 147, CWS-Court-Related Act., and PC 148, CWS - Case Mgmt.

SB 1667 Caregiver Court Filing

This premise reflects total funds of \$85,000 for the cost of county social workers to instruct caregivers on how to file a Caregiver Information Form with the courts at each status review hearing as a result of SB 1667 (Chapter 389, Statutes of 2006). This bill requires a social worker to provide the child's caregiver a copy of the Caregiver Information Form in the caregiver's primary language when available and information regarding filing the form with the court. Costs associated with the additional data requirement activities should be reported to the appropriate existing CWS IV-E Administration PCs. Funds were distributed based on a percent to total of each county's average monthly Foster Family Home and Relative Home caseload for CY 2009. Costs for these services should be reported to PC 709, State Mandates and PC 710, State Mandates Non-Fed. These PCs have no county share of cost.

AB 1774 Criminal Records Check for Family Reunification

This premise reflects total funds of \$962,000 to conduct background checks on parents wishing to reunify with their child as a result of AB 1774 (Chapter 726, Statutes of 2006). The AB 1774 expands the purposes for which criminal offender record information can be obtained to include assessing a parent's suitability to reunify with their child, provided that the parent's consent to fingerprint submission has been obtained. Courts would be allowed to consider the criminal history of a parent at review and permanency hearings. Funds were distributed based on a percent to total of each county's budgeted FR caseload for FY 2009-10. Costs for these services should be reported to PC 359, CWS Live Scan/CLETS Background.

Safe and Timelv Interstate Placement of the Foster Care Act of 2006

This premise reflects total funds of \$994,000 associated with CWS social workers meeting the new 60day home study time frame requirement of the Safe and Timely Interstate Placement of the Foster Care Act of 2006 (H.R. 5403). Within 60 days, county social workers must complete a study of a home environment in order to assess the safety and suitability of placing a child in a foster or adoptive home and to develop a report of their findings. The bill also grants authority for incentive payments of \$1,500 for each home study completed within 30 days. Total funds were distributed based on a percent to total of each county's average monthly Out-of-State Children caseload for CY 2009. Costs associated with the additional activities should be reported to the appropriate existing CWS IV-E Administration PCs.

Gomez v. Saenz Court Case

This premise reflects the costs for county activities related to the *Gomez, et al. v. Saenz* court settlement. Specifically, the costs are for counties to enact a grievance process to provide due process to any person desiring to challenge his/her listing on the CACI, both prospectively and retroactively. Total funds of \$1.2 million were distributed based on a percent to total of each county's projected social worker caseload for FY 2010-11. Costs should be reported to PC 707, Gomez Grievance Hearings.

Adam Walsh Child Protection Safety Act

This premise reflects the costs associated with federal law (Public Law 109-248, known as the Adam Walsh Child Protection and Safety Act of 2006), which requires that states check child abuse and neglect registries in each state in which prospective foster or adoptive parents, relative caregivers or NREFM as well as other adults who have resided in the home within the preceding five years prior to approval for placement of a child. This premise also reflects the costs associated with responding to other states' requests for underlying information about child abuse and neglect reports in California. SB 703 (Chapter 583, Statutes of 2007) brought California into conformity with this act. Total funds of \$256,931 were distributed based on a percent to total of each county's average relative placements for CY 2009. Counties can claim costs associated with the act to the following existing Program Codes: 007, Relative/Non-relative Home; 117, Adoptions-Case Mgmt; and 155, Foster Family Licensing.

Private Adoption Agency Reimbursement Payments Savings

This premise reflects the savings associated with the state providing agency adoption reimbursement payments to private adoption agencies for expenditures associated with adoptive placements of special needs children. Total savings of \$766,000 were distributed based on a percent to total of each county's average PP caseload for CY 2009.

AB 1331 Foster Care Supplemental Security Income (SSI)/State Supplementary Program Application

This premise reflects the costs pursuant to AB 1331 (Chapter 465, Statutes of 2007) that requires counties to screen all foster youth in its care aged 16 and a half and older to determine if they are eligible for federal SSI benefits utilizing the best practice guidelines developed pursuant to AB 1633 (Chapter 641, Statutes of 2005). The AB 1331 requires that an application be submitted for any child

who is screened as being likely to be eligible for SSI benefits. Total funds of \$615,000 were distributed based on a percent to total of each county's out-of-home placements caseload for FY 2009-10. Counties can claim costs associated with the activities to PC 709, State Mandates and PC 710, State Mandates Non-Fed. These PCs have no county share of cost.

AB 1512 Health Benefit Determination

The AB 1512 (Chapter 467, Statutes of 2007) requires the county child welfare agency or probation department responsible for the child's placement needs to determine in consultation with the foster parent, whether a foster child who is currently enrolled in a County Organized Health System (COHS) and placed in an out-of-county placement should remain in the COHS. This bill requires that the determination be made one working day after the out-of-county placement begins. If the decision is to disenroll the child from COHS, the placing county would also be required to request the disenrollment within two working days after the out-of-county placement begins.

This bill requires that if the foster child is to be disenrolled from a COHS because of an out-of-county placement, the placing county would request the disenrollment. Total funds of \$403,000 were distributed based on a percent to total of each county's average out-of-county placement caseload for FY 2009-10. Counties can claim costs associated with the activities to PC 716, Health Benefit Determination.

Dual Agency Supplement to the Rate

This premise reflects the cost to provide a supplemental rate to the existing Adoption Assistance Program (AAP) and the federal AFDC-FC program. The CDSS and the California Department of Developmental Services have developed a rate-setting methodology for the care and supervision of foster and adoptive children receiving services from both county welfare departments and regional centers. An established rate of \$2,006 for AAP and the federal AFDC-FC program for children over the age of three was approved in SB 84 (Chapter 177, Statutes of 2008). The SB 84 also established a workgroup consisting of multiple state and county departments, advocacy groups, the Legislative Analyst Office, and regional centers to develop the criteria for children with "extraordinary needs" that will be eligible for a supplement to that rate. During that process, it was agreed that the supplement to the rate is to be comprised of four payment categories - \$250, \$500, \$750, and \$1,000. The SB 84 workgroup criteria for children eligible for the supplement to the rate and the instructions to administer the program were released in All County Letter 08-54 on December 1, 2008.

Total funds of \$77,000 were distributed based on a percent to total of each county's Dual Agency Foster Care caseload for CY 2009.

Personalized Transition Plan (PTP) (P.L. 110-351)

This funding will cover costs associated with the federal Fostering Connections to Success and Increasing Adoptions Act (P.L. 110-351, HR 6893) that was signed into law on October 7, 2008. Section 202 of this bill mandates states to provide the foster child one final Transitional Independent Living Plan (TILP) within 90 days prior to emancipating from foster care. This funding will be allocated for social workers to conduct the transitional plan with the youth and or any other individuals the youth desires. Counties who elect to use probation officers to develop a PTP must have a Memoranda of Understanding in place to contract activities associated with developing such a plan.

Total funds of \$310,000 were distributed based on a percent to total of each county's Total Children in Foster Care (ages 16-20) caseload for CY 2009. Administrative costs can be captured using PC 148, CWS - Case Mgmt. The nonfed costs will be shifted to State Use Only (SUO) Code 146.

Increase Funding for Caseworker Visits

This premise reflects the costs associated with the new federal law (P. L. 109-288, known as the Child and Family Services Improvement Act of 2006) which requires states to increase the percentage of foster children that are visited monthly to 90 percent by the year 2011 in order to continue receiving full Title IV-B funding. In addition, a majority of those visits must occur in the child's home. States are required to submit a plan for approval by the federal Department of Health and Human Services that indicates their goals for improvement each Federal Fiscal Year. If states do not meet their goals each and every year they will be penalized accordingly. Currently, Probation Officers (POs) do not have access to the CWS/CMS. In order to capture information about the PO visits, the PO will need access to CWS/CMS.

Total funds of \$6.9 million were distributed based on a percent to total of each county's Foster Family Agency and Out of State placements, Foster Family Home (excluding Foster Family Agency and Group Home), and Children in Out of Home Placements (out of county) welfare supervised caseloads for CY 2009. Counties are instructed to use their Promoting Safe and Stable Families (PSSF) grant before using Title IV-E funds. Administrative costs associated with Increase Funding for Caseworker Visits can be captured using existing PC 677—PSSF Monthly Caseworker Visits.

Once a county exceeds their PSSF Caseworker Visits allocation, SUO Code 684 will be utilized to shift the overmatch costs. Since these activities are also eligible CWS activities, the overmatch amount shifted to SUO Code 684 will be shifted to SUO 734, funded at 50/35/15 (fed/state/county), and tracked against the counties CWS Allocation. The nonfed costs will be shifted to SUO Code 146.

Chafee Federal National Youth in Transition Database (NYTD)

This premise reflects the costs associated with submitting demographic and outcome data on foster youth who receive Independent Living Program (ILP) services and those who age-out of foster care. All states are required to submit this data pursuant to the final regulations from the federal Administration for Children and Families (ACF) regarding implementation of the NYTD. The ACF has given states two and one half years to develop methodology and capacity for collecting data on all ILP services and foster youth cohorts. The ACF has given states until October 1, 2010, to fully implement the regulation requirements and begin collecting required data.

The principle data collection method for NYTD is a survey of current and former foster youth all ages 17, 19, and 21 years old. The surveys will be conducted with a contractor. Counties are required to inform 17 year olds in foster care of the purpose and scope of the survey, maintain periodic contact with former foster youth to meet federal response requirements, and secure consent forms from youth for participation in the follow-up survey. This funding will cover the social worker or probation officer time spent engaging youth.

Total funds of \$50,000 were distributed based on a percent to total of each county's Minors Turning 17 in Out-of-Home Placement caseload for FY 2009-10. Costs can be captured using PC 148, CWS - Case Mgmt. The nonfed costs will be shifted to SUO Code 146.

Increase Relative Search and Engagement

This premise reflects the cost to provide counties with resources necessary to increase family finding and engagement efforts statewide in compliance with the state's federal Program Improvement Plan (PIP). Relative placements are more stable than non-relative placements, reduce foster care reentry rates, and reduce the isolation and negative consequences on youth who exit the foster care system. The additional resources would facilitate the location of relatives as a placement option for children who are not currently placed with relatives upon entry into foster care, and would establish strong familial connections for youth in non-relative placements approaching emancipation. Total funds of \$11.8 million were distributed based on a percent to total of each county's Non-relative Guardian/Non- relative Non-guardian placements for CY 2009 and Non-relative home placements for kids 16 and older

for CY 2009. Costs are captured using PC 733, IRSAE. The nonfed costs will be shifted to SUO Code 146.

Increase Family Case Planning Meetings to Improve Child Welfare Outcomes

This premise reflects the cost to provide counties with the funding necessary to increase efforts to engage families and youth in case planning to meet the requirements of the state's federal PIP. This premise will fund additional social worker positions throughout California to increase the number of facilitated case planning meetings that include parents, extended family members, community service providers, and others in order to strengthen reunifications and decrease foster care reentries. Total funds of \$5.1 million were distributed based on a percent to total of each county's Exits from Foster Care Reunified caseload for CY 2009. Costs can be captured using PC 732, Increase Fmly Case Planning. The nonfed costs will be shifted to SUO Code 146.

Notification of Relatives

This premise reflects the cost to notify relatives when a child has been removed from parental custody as mandated by the federal Fostering Connections to Success and Increasing Adoptions Act (P.L. 110-351) which was signed into law on October 7, 2008. Section 103 of this bill requires that counties perform due diligence to identify and provide notice to all adult relatives within 30 days of removal, with the exception of potentially abusive relatives. Relatives will be notified that the child has been or is being removed from parental care, the options they have under federal, state, and local laws and the requirements to become a foster family home. Total funds of \$2.9 million were distributed based on a percent to total of each county's New Out of Home placements for CY 2009. Administrative costs can be captured using PC 148, CWS – Case Mgmt. The nonfed costs will be shifted to SUO Code 146.

Kin-GAP Dual Agency Savings

This premise reflects an amendment to the Kinship Guardianship Assistance Payment (Kin-GAP) program statute which allows children receiving the AFDC-FC rate under Welfare and Institutions Code Section 11464 while in foster care to be eligible for that rate when the children transition into the Kin-GAP program. The rate paid under Kin-GAP for children who are regional center clients would be paid by the state and counties in the same ratio as is currently paid under the Kin-GAP program. Under the proposed statute change, children currently in Kin-GAP who are regional center clients would be eligible for the dual agency rate retroactive to July 1, 2007.

Total funds of \$231,000 were distributed based on a percent to total of each county's average Kin-GAP actual cases for CY 2009.

Child Welfare Outcome Improvement Plan (CWSOIP) Planning Augmentation Allocation

Attachment III displays the \$60.5 million in total funds for CWSOIP, which will serve as an augmentation to the CWS Basic allocation. These funds have been provided in order to support activities identified in each county's SIP. Counties will be required to report in their annual SIP update how the CWSOIP funds were used to support their SIP outcomes. This allocation was distributed based on each county's percent to total of budgeted FTEs as displayed in Attachment II. There is no county share associated with this allocation. Funds for the CWSOIP Augmentation can be accessed through the normal CWS claiming process on the County Expense Claim (CEC); however, counties must first expend their CWS Basic allocation before they can access the CWSOIP Augmentation funds.

CWS Augmentation Planning Allocation

Attachment IV displays the \$56.5 million in total funds that has been appropriated for the CWS Augmentation allocation. Of this total, \$5.4 million consists of Title XX funds transferred from the Temporary Assistance for Needy Families (TANF) block grant and used in lieu of GF. Augmentation funds shall be expressly targeted for services provided through the ER, FM, FR, and PP components of

CWS and shall not be used to supplant existing CWS funds. Funds will be available to counties contingent upon individual counties: 1) matching their total CWS Basic GF allocation and the Title XX funds that offset the GF allocation; and 2) full utilization of the CWS/CMS.

Due to the "no supplantation" requirement, failure to fully expend budgeted county funds would result in a reduction of this allocation. This allocation is distributed to all counties based on the individual county's percent to total of budgeted FTEs as displayed in Attachment II, with a minimum allocation of \$100,000 in total funds. The allocation is currently displayed as a planning allocation. A final allocation will be distributed in a County Fiscal Letter later in the year after counties have certified or not to their full utilization of CWS/CMS.

Attachment V contains a listing of PCs for the CWS program. The expenditures charged against these codes are tracked on the CEC. Reimbursement of Title IV-E and Title XIX funding will be on a flow basis. The GF, Title XX, Title IV-B, and TANF funding will be controlled to the allocation amounts. Expenditures exceeding the Title IV-B allocations will be shifted to GF and county share.
