FAMILY PRESERVATION PROGRAMS

On page 4 under Family Preservation Programs it states:

As a result of the federal review of the 2004/05 CCAP, the following title and clarification changes are being made to the Family Preservation Programs retroactive to the September 2005 quarter.

It should say:

As a result of the federal review of the 2004/05 CCAP, the following title and clarification changes are being made to the Family Preservation Programs effective with the December 2005 quarter.

EDUCATION AND TRAINING VOUCHER

Program Code 067 was deleted effective with the September quarter. Inadvertently, the Program Code Description was not marked through to reflect this change.
